

## Classroom Climate Action

1. Read the attached *Sample Climate Change Unit* based on the Habit of Oneness.
2. Preview *Cross Themes from a Required Syllabus*, based on Liberia as a sample country.
3. Preview the *Idea Bank of Climate Change Project Activities*.
4. Brainstorm a unit plan appropriate for the grade level you will teach.
5. Using this planning sheet, detail keywords from your customized unit plan here.
6. Discuss or demonstrate your ideas with peers.
7. Submit the unit outline to your instructor if you are engaged in an accredited course. A completed unit is worth 15 points.
